From: **Metropolitan Management**  
Subject: Garbage Disposals

Dear Residents,

PLEASE DO NOT USE YOUR GARBAGE DISPOSALS! Some units were wrongfully equipped with garbage disposals and they are a huge detriment to our plumbing.

Garbage disposals have and can cause catastrophic damage, so please do not use them. They will be removed from all units in the near future.

We greatly appreciate your attention in this matter...it is so important!

Sincerely,

Dana Conner  
The Metropolitan
